

Sample Internet Release Agreement

Dear _____:

We would like to request your permission to use your photograph, name, and projects to post on our Web Site (http://www._____). Since the Internet is accessible worldwide, your written consent for this is necessary. If you would not object to photographs/assignments identifying you by name, please sign and return this form.

This permission is revocable at any time with written notice.

I, _____, hereby consent to allow _____ to use any photographs taken of me or my projects/assignments to promote, illustrate or publicize company activities. I understand that I may be identified by name along with this photograph or project, and that it will be available for viewing on the Internet.
